Our policy during any emergency is always to seek you out first. Therefore, in the interest of the safety and security of your child, we ask that parents or guardians are on church grounds and available to Sunday School staff or volunteers throughout the Sunday School hour. Also, in order to foster a meaningful experience for all children, we may ask you to remove your child from class in the event of inappropriate or unmanageable behavior.

Medical Concerns/Restrictions (i.e., asthma, allergies, food allergies, medications, disabilities, etc.):

Photo policy: We take a lot of pictures (and sometimes video) during our events. We sometimes post them, physically around the church, or digitally on our web pages. Our policy is NEVER to post identifying information about anyone under 18 on public pages of the web. Any photo captions use a first initial only (no last initial or name). We value the privilege of using your child's image in our brochures and other publicity, and especially to celebrate the fun stuff we have done and share it with each other and our fellow parishioners through slideshows on our web pages. However, if you do NOT grant permission for St. Stephen's children's ministries to use images of your child, you can opt out by initialing below:

_____ I do NOT want any pictures or video of my child to be used by St. Stephen's Children's Programs.

Otherwise, you can expect to see lots of fun (and safely unlabeled) photos of your child doing cool stuff throughout the year!
