Please remember that a Stewardship pledge is a statement of intention, not a firm contract. We ask that you be intentional in your giving and set a goal that fully reflects how God has blessed you. Please consider increasing your pledge this year over last year. In our tradition, we cannot escape the biblical standard of the tithe, or 10% of your family income, but neither do we expect most of our people to be at this level. Some of our families tithe, but also many families find themselves at a proportional giving level of 2%, 3%, or 5%. We would encourage these persons and families to keep the tithe in mind and make it a long term, or life goal. It can be a very satisfying thing to give consciously and generously to a spiritual community so very dedicated to its mission, ministry and our everyday lives. As a guide, sample pledges by income and percentage are given below.

Sample Pledges by Percentage and Income (Weekly / Monthly / Annually)			
Annual Income	Tithing 10%	Proportional 5%	Proportional 3%
\$25,000	\$48 / \$208 / \$2,500	\$24 / \$104 / \$1,250	\$14 / \$63 / \$750
